Bapu's Group of Companies

Delivering Success With Values

Today various ports have developed with state-of-the-art facilities near Gandhidham. The city is also developing as a new age trading zone for various business & trade activities with close access to the Ports. Its is from here that we drive the growth curve that we have built upon since last 15 years.

The main hub of operations head quarters of Bapu's Group of Companies is at Gandhidham, (Gujarat), on the western coast of India, a hub of shipping and mining and industrial zone. With the growing demand and industrial growth in the state of Gujarat, the State Government has taken many initiatives to develop Kutch region as a industrial zone with ports like Kandla & Mundra for highly developed trade activities.
